*Dear Friends,* Our lives have changed so much since the Greater Sydney Lockdown. A dear lady in our parish said to me " Is it the end of the world?" It is such a different world but the Lord Jesus has said in Scripture " I am with you always, even to the end of time."

Our prayers as a Catholic community are even more needed now: *We pray for the whole world caught up in the Pandemic; we pray for Afghanistan & the suffering in that nation, especially for soldiers and civilians recently killed; we pray for our families and friends feeling isolated due to lockdown, we pray for the poor & marginalised in Australia and Overseas.*

Thanks for the many good wishes & prayers for my 30th Anniversary of priesthood. I really appreciated them. Fr Richard & myself continue to keep you all in prayer.

Fr Richard celebrates Mass during the week and on Sunday's at St Columbkille's Church and has his own YouTube site with Reflections, Music and prayers which connects us beautifully to our faith. At St Joseph's we have the Sunday Mass recorded for parishioners on the Bulli parish website. God bless and keep you all well,

The Lord's love and peace to you and your Families,

Fr Patrick

**PRAYER FOR A NEW NORMAL**

The World as we knew it is gone, and for what feels like such a long time we have experienced so much hardship during this Pandemic.

As we prepare to walk into the future we pray for the "new normal" to come.

May our hearts be unified in You more than ever.

May the tender moments of seeing someone again in person be all the more rich and treasured. May the reunions, interactions, and moments ahead be held in such intentionality and may we turn to You in sincere gratitude.

Help us to come out of this Pandemic better, not bitter.

Help us to become more considerate of others, more mindful of how we can help one another, and how we can serve You and Your children well.

We thank You that no matter how dark the night may get, there is the hope of the dawn to come.

Amen
