Dear Friends,

There has been so much going on in our world of late and it is hard sometimes to get our head around everything that is happening.

*I would like to encourage everyone to get vaccinated. Especially the most vulnerable and those over 60years old. There has been so much confusion around which vaccine is best for us however listen to your health professionals for the best advice. As Pope Francis said a few weeks ago **“Vaccination is a simple but profound way of promoting the common good and caring for each other, especially the most vulnerable. I pray to God that everyone may contribute their own small grain of sand, their own small gesture of love.”** The sooner we are vaccinated the sooner we may be able to come together to see our loved ones, friends and of course our fellow parishioners. Father’ Day this weekend will be a very different affair than in previous years. So we pray for all Father’s, especially those that will be separated from their children and all father’s who are no longer with us but with our Father in heaven. For those families that are together for Father’s day make it special! **As the lockdown continues please join us for our recorded Masses at Corrimal and Bulli and continue to pray for Afghanistan, our world and our nation in the Pandemic.***

A Fathers Day Prayer

God our Father, we give thanks and praise for fathers young and old.

We pray for young fathers, newly embracing their vocation;

May they find courage and perseverance to balance work, family and faith in joy and sacrifice.

We pray for those Fathers around the world whose children are lost or suffering; may they know that the God of compassion walks with them in their sorrow.

We pray for men who are not fathers but still mentor and guide us with fatherly love and advice.

We remember fathers, grandfathers and great grandfathers who are no longer with us but who live forever in our memory and nourish us with their love. **Amen**

We pray for: Pope Francis' intentions for the Month of Sept: *An Environmentally sustainable lifestyle, The people of Afghanistan ; our world and nation in COVID 19, teachers Year 12 Students taking part in the HSC and all our Father's.*
